SECTION 2 — COMPANY OVERVIEW

Acme Global Industries Ltd is a diversified commercial real estate operator headquartered at 1200 Commerce Blvd, Suite 400, Dallas, TX 75201. Established in 1998, the company has built a 27-year track record as a commercial office and industrial property owner across the Dallas-Fort Worth metroplex. The company operates under SIC Code 6512 (Operators of Commercial Properties), with an Occupancy Type of Office across its primary holdings.

All properties in the Acme portfolio are constructed to Fire Resistive standards — the highest ISO construction classification — reflecting the company's commitment to structural integrity, tenant safety, and risk control. The flagship property at 1200 Commerce Blvd was built in 2005 and anchors a portfolio of 5 properties totaling approximately 601,000 square feet of leasable commercial space valued at \$148,500,000.
