SECTION 2 — COMPANY OVERVIEW

Pinnacle Property Solutions Inc. is a premier commercial real estate development and property management firm headquartered in Chicago, Illinois. Founded in 2004, the company has grown into one of the Midwest's most recognized names in commercial property ownership, with a diversified portfolio spanning five states: Illinois, Indiana, Ohio, Texas, and Georgia. The company specializes in the acquisition, development, leasing, and management of high-quality commercial properties including Class-A office buildings, industrial warehousing complexes, multi-tenant retail centers, and mixed-use developments.

Pinnacle's vertically integrated operating model allows it to manage every phase of the real estate lifecycle — from land acquisition and entitlement through construction, leasing, and ongoing asset management. Guided by a mission to deliver exceptional commercial real estate solutions, the firm currently manages over 1.6 million square feet of leasable area and \$248 million in assets under management.

SECTION 3 — PRIMARY BUSINESS OPERATIONS

Pinnacle Property Solutions operates across four primary business lines, each contributing to the company's diversified revenue base and commercial property portfolio. The SIC Code 6512 classification reflects the company's predominant activity as an operator of non-residential commercial buildings. Below is a detailed description of each operational segment.

Business Segment	SIC / NAICS	# Properties	Total Sq. Ft.	States	Avg. Occupancy
Class-A Office	6512 / 531120	8	1,200,000 SF	IL, OH	91%
Industrial / Warehousing	6512 / 531130	7	2,800,000 SF	IN, TX	96%
Multi-Tenant Retail	6512 / 531120	5	380,000 SF	IL, GA	88%
Mixed-Use Development	6512 / 531190	4*	145,000 SF	IL, GA, OH	75% (lease-up)

* Active development/lease-up projects

3.1 Class-A Commercial Office Development & Leasing

Pinnacle develops and manages Class-A and Class-B office buildings in suburban and urban markets across Illinois and Ohio. The office portfolio comprises 8 buildings totaling approximately 1.2 million square feet of leasable area. Tenants include professional services firms, technology companies, healthcare organizations, and regional government agencies. Average occupancy across the portfolio is 91%, with long-term lease agreements averaging 5.2 years in remaining term.

3.2 Industrial & Warehousing / Logistics Facilities

The industrial segment is Pinnacle's fastest-growing business line. The company currently owns and operates 7 industrial and logistics facilities across Indiana and Texas, comprising approximately 2.8 million square feet. Properties serve as distribution centers, light manufacturing hubs, and last-mile logistics facilities for Fortune 500 tenants in the e-commerce and consumer goods sectors. Average occupancy stands at 96% with weighted average lease term of 6.8 years.

3.3 Multi-Tenant Retail Centers

Pinnacle owns and manages 5 community and neighborhood retail centers, predominantly anchored by grocery stores and pharmacies. Centers are located in high-traffic suburban corridors in Greater Chicago and Metro Atlanta. Combined gross leasable area in the retail segment exceeds 380,000 square feet. The company's focus on essential-services tenants has contributed to sustained occupancy above 88% through varied market cycles.

3.4 Mixed-Use Development Projects

Pinnacle is actively engaged in 4 mixed-use development projects that combine ground-floor retail with upper-floor office or residential-over-retail configurations. Projects are at varying stages of permitting, construction, and lease-up. Total projected investment across active mixed-use projects is approximately \$62 million. Upon stabilization, these assets are projected to generate an additional \$4.8 million in annual NOI.

3.5 Operational Risk Management Overview

All Pinnacle properties are subject to the company's rigorous Property Risk Management Program (PRMP), overseen by a CPCU-certified in-house Risk Manager. The program encompasses annual third-party building inspections, quarterly life-safety audits, preventive maintenance schedules, and a tenant COI compliance program requiring all tenants to maintain minimum \$2 million General Liability coverage.
