Subject: Trip Tow - ABC Havens - Drydock PROVIDENCE

Hi Joe,

We have an enquiry for you via Epic, which pushing their enquiries largely your way when they are coming in.

We have another one for you.

Our insured, ABC Havens, is looking to insure a new build drydock in transit, scheduled to be towed from Savannah, GA to Boston Harbor Shipyard and Marina, leaving on February 29th, 2025. XYZ Towing Company, Inc. is to perform the tow and trip & tow survey. Please find a copy of the towage contract attached.

We are looking for two quotes for the duration of the tow:

- 1. Hull only (excl. collision) for the value of the drydock (\$4.1M) during transit.*
- 2. Hull and primary \$1M P&I (collision included under P&I; excluding crew – there will be no riding crew).*
- 3. Hull and P&I up to hull value*

Additionally, I've attached the CV Survey, Certificate of Documentation, and brief written description of the drydock.

Please review and advise if any additional information required.

Please let me know if this is of interest.

Regards,

John
